Special Achievements

Krithik Rudra and **P. Krithik Nanda** of Grade VI, along with **Rithwik Rudra** of Grade VII, brought pride to the school by securing Bronze Medals at the 9th Asia Cup Open International Taekwondo Championship – 2026, held in Goa from 26th to 28th June 2026.
Krithik Rudra secured the Bronze Medal in the Sub-Junior Boys Under 32 kg category. P. Krithik Nanda secured the Bronze Medal in the Sub-Junior Boys Under 32 kg category. Rithwik Rudra secured the Bronze Medal in the Junior Boys Under 37 kg category.

Their remarkable achievements reflect their dedication, discipline, perseverance, and unwavering commitment to excellence in taekwondo. Heartiest congratulations to Krithik Rudra, P. Krithik Nanda, and Rithwik Rudra on their outstanding accomplishments. May they continue to scale greater heights and bring many more laurels to the school in the years to come.

Interschool Basketball Tournament

Our school participated in the Interschool Sports League Basketball Tournament held at Tellapur on 24th May. The Under-14 Boys' team secured the 1st Runner-Up position, bringing laurels to the school.

Congratulations

Empowering Educators: Learning, Leadership, and Innovation for Excellence

The new academic year began with energy, enthusiasm, and a shared commitment to excellence as educators from different campuses gathered for a transformative professional development programme. The sessions provided opportunities to learn, reflect, and embrace innovative practices that strengthen teaching and learning.

The day commenced with a soulful prayer and an inspiring address by Bro. Joshua Masa, encouraging teachers to embark on the academic journey with renewed purpose, passion, and positivity.

The Power of Human Connections

Dr. Sunita Devi emphasized the importance of interpersonal and social skills in education. Her session highlighted how meaningful communication, collaboration, and empathy help build stronger relationships and create a nurturing learning environment.

Thriving Teachers, Thriving Classrooms

Focusing on holistic wellbeing, **Dr. K. Deepthi** encouraged educators to prioritize their emotional, mental, and physical health. Her session reinforced the idea that a balanced and healthy teacher is the cornerstone of a successful classroom.

Unlocking the Future with AI

Mr. Mrinal J. Hira introduced educators to the exciting possibilities of Artificial Intelligence in education. Through practical demonstrations, teachers discovered how technology can enhance creativity, streamline planning, and make learning more engaging.

Leadership that Leaves a Legacy

Mr.Dazzelle Fernandez shared valuable insights on leadership and management, inspiring educators to lead with confidence, vision, and purpose both inside and outside the classroom.

Beyond Traditional Teaching

Mr.John Hemanth presented innovative teaching-learning methodologies that encourage active participation, critical thinking, and student-centered learning experiences.

Ready for the Future

Mr.Raja Reddy, Director–Principal of Genesis School, Kukatpally, familiarized educators with the latest CBSE reforms and academic updates. His insightful session enabled teachers to confidently align their teaching practices with evolving educational standards and strengthen academic excellence across classrooms.

Subject Enrichment Sessions

Department training sessions conducted by expert resource persons provided teachers with valuable learning experiences and fresh insights. These enriching sessions fostered collaboration and equipped educators with innovative strategies for effective classroom practices.

Preparing for a Joyful Welcome

A splash of colours, creativity, and enthusiasm transformed our soft boards into vibrant displays. With care and excitement, our teachers prepared the classrooms to warmly welcome students back after the vacation, creating a cheerful start to the new academic year.

"The Rise of Young Leaders: Investiture Ceremony 2026–27"

"Leadership is not about being in charge; it is about taking care of those in your charge."

With great pride and enthusiasm, Genesis Iris has celebrated Investiture Ceremony for the academic year 2026–27 on 27th June, marking the beginning of a new chapter of leadership, responsibility, and service.

The occasion was graced by the esteemed Chief Guest, Mr. Alankrith Goud, Sub-Inspector of Police, Economic Offences Wing, Cyberabad Commissionerate, whose inspiring presence added immense value to the celebration. The school was also delighted to welcome the parents of the newly elected student leaders, making the occasion even more memorable.

The ceremony commenced with a soulful Prayer Song, invoking the blessings of the Almighty, followed by a graceful Welcome Dance, which captivated the audience and set an auspicious tone for the event.

The highlight of the ceremony was the formal investiture of the newly elected Student Council Members, who were proudly adorned with badges and entrusted with their respective responsibilities. The Student Council was constituted after a rigorous and meticulous selection process, ensuring that students possessing leadership qualities, dedication, discipline, and a spirit of service were chosen to shoulder the responsibilities of leadership.

Adding grandeur to the ceremony was the spectacular march past presented by the four school houses — Emerald, Ruby, Sapphire, and Topaz — along with the NCC cadets. Their disciplined parade and synchronized movements reflected the values of teamwork, commitment, and leadership that Genesis School seeks to instill in every student.

Addressing the gathering, the Chief Guest, Mr. Alankrith Goud, delivered a highly motivating and insightful speech, encouraging the young leaders to lead with integrity, responsibility, humility, and perseverance. His inspiring words left a lasting impression on the students and motivated them to strive for excellence in all spheres of life.

Our respected Correspondent Ma'am also addressed the gathering and extended her heartfelt congratulations to the newly appointed student leaders. She emphasized that leadership is not merely a position of authority but a commitment to serve, inspire, and uphold the values of the institution with dedication and sincerity.

Genesis Zele – 19th Foundation Day 2026–27

Genesis School celebrated Genesis Zele – the 19th Foundation Day and Inaugural Ceremony on June 6, marking the beginning of the academic year 2026–27 with great enthusiasm and renewed aspirations.
The programme commenced with a prayer and inspiring blessings by Bro. Joshua Masa, followed by a melodious prayer song presented by the teachers.

The Chairman, Directors, and Principals addressed the gathering, sharing their vision for the year ahead and emphasizing the values and excellence that define Genesis School.

Adding vibrancy to the occasion, the co-curricular team presented a delightful cultural programme featuring music, dance, and group singing, showcasing the talents and enthusiasm of the teachers. Heartfelt reflections shared by teachers about their journey with Genesis added warmth and significance to the celebration.

The event concluded with a fellowship lunch, bringing everyone together in a spirit of joy, unity, and a shared commitment to excellence, making it a memorable beginning to the academic year 2026–27.

Yoga – The Path to Health

Yoga teaches us to stand tall, With strength and balance for one and all. It keeps our body fit and strong, And helps our mind stay calm all day long. Stretch and breathe with gentle grace, Peace and happiness we embrace. Every morning, start with yoga bright, And fill your day with health and light.

World Environment Day

World Environment Day was celebrated with great enthusiasm in the school highlighting the institution’s strong commitment to sustainability and environmental responsibility.

The event was graced by the Chief Guest, Mr. Alankrith Goud, Sub Inspector of Police, along with the Director sir, Correspondent ma'am, and Principal ma'am of the school. The programme was organized by the Student Council and NCC Cadets, who played a vital role in making the celebration meaningful and impactful.

Tree Plantation Drive by Eco Club

As part of the observance, the Eco Club conducted a Tree Plantation Drive under the CBSE Mission LiFE initiative, “Ek Ped Maa Ke Naam 3.0.” Students actively participated by planting saplings at their homes along with their mothers, thereby promoting environmental awareness and family involvement in nurturing nature.

The initiative beautifully reinforced the message of sustainability, responsibility, and collective action towards building a greener future.

Inspiring Young Minds to Choose Wisely

On the occasion of the International Day Against Drug Abuse and Illicit Trafficking 2026, an engaging and motivational awareness session was conducted for students in association with the Telangana Anti-Narcotics Bureau. The session aimed to spread awareness about the harmful effects of drug abuse and encourage students to lead a healthy and responsible life.

Through interactive discussions, real-life examples, and impactful messages like “Say No to Drugs – Yes to Life”, students actively participated by sharing their views and reflections. They expressed their understanding of the issue and highlighted the importance of staying away from harmful substances. The session proved to be highly engaging and inspiring, empowering young minds to contribute towards building a drug-free society and a better future.

Special Assemblies

School morning assembly activities plays an important role in creating a positive and engaging learning environment for students. During assembly every student gets an opportunity to participate actively, along with their class teacher.

Global Day of Parents - VIIIA

Safety in Every Bite - IVA

World Bicycle Day - Pedal for the Planet - VIII C

No Bag Day

Bringing together fun and learning, No Bag Day was conducted for students of Grades I to IV. A variety of engaging activities arranged for each grade are as follows:

Grades I & II:

Yoga
Mirror Moves
Beetle Crawl

Our school celebrated No Bag Day with exciting activities like Yoga, Mirror Moves, and Beetle Crawl. The children participated enthusiastically and enjoyed the day with great excitement. These engaging activities enhanced their physical, social, and motor skills, making learning fun and meaningful.

Grades III & IV:

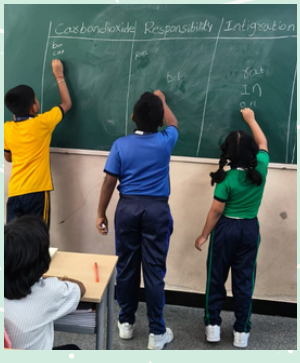

Colour Connections
Yoga
Roll the ball
Motivational Story
Word Game

Students of Grades III & IV celebrated No Bag Day with great enthusiasm and excitement. They actively participated in various engaging activities and thoroughly enjoyed the experience. The fun-filled day helped enhance their creativity, confidence, teamwork, and overall skills while making learning enjoyable and meaningful.

Club Activities- June

The clubs for the academic year 2026-27 have kick-started with great enthusiasm, paving the way for a year filled with learning and creativity. During the inaugural assembly, students were introduced to the clubs, student secretaries were appointed, and plans were charted for the upcoming club activities.

NCC - Annual Training Camp

The NCC cadets of the the 7 (T) Girls Battalion participated in the Annual Training Camp (ATC) held at Sujatha School, Moinabad, from 14th to 23rd May 2026. A total of 48 cadets attended the camp and underwent training in discipline, leadership, teamwork, and physical fitness. Demonstrating exceptional performance, the cadets secured first place in Kho-Kho, Tug of War, and March Past competitions.

The NCC cadets of the 1 (T) Artillery Battery attended the Annual Training Camp at Malla Reddy University, Borampet, from 4th to 13th May 2026. The camp focused on leadership, discipline, and team spirit. The cadets brought laurels to the school by securing first place in the Flag Area competition, Dance, and Volleyball events.

CBSE Activities for Students

- Cybercrime Awareness in Schools
- Ek Ped Maa Ke Naam 3.0
- CBSE Games (2026-27)
- Celebration of 150 Years of the National Song "Vande Mataram"

CBSE Activities for Teachers

- Curriculum for the Academic Year 2026-27
- Curriculum Framework for Computational Thinking (CT) and Artificial Intelligence (AI) for Classes III-VIII

Positive Affirmations for the Month

* Every new day is a chance to learn and grow.
* I' am in control of my daily habits and my happiness.
* I can learn new things, even when they are hard.

CONGRATS!

Pre-Primary Corner

Tiny Steps, Big Smiles!

With bright eyes and cheerful smiles, our Nursery children stepped into the school year filled with excitement and curiosity. Their laughter, enthusiasm, and eagerness to explore created a joyful and welcoming atmosphere in the classrooms. Through play, learning, songs, and activities, they began a wonderful journey of discovery, friendship, and growth. Welcome, Nursery Children – Let the Adventure Begin! ⭐📚🎈

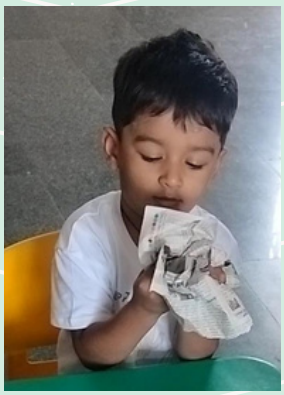

Little Hands, Creative Minds!

Our Pre-Primary children enthusiastically participated in Paper Tearing and Paper Crumbling Activities. Through these fun-filled activities, they developed their fine motor skills, hand-eye coordination, and finger strength. The children enjoyed tearing and crumpling colorful papers to create beautiful art, expressing their creativity and imagination.

Fathers' Day Celebrations

Crafting Love for Dad

Our little ones celebrated Father's Day with love and joy by making beautiful handmade cards for their fathers. Through this activity, children expressed their gratitude, affection, and appreciation for the care and support their fathers provide. The smiles on their faces reflected the special bond they share with their dads.

Little Yogis, Big Smiles

"On International Yoga Day, the children came dressed in white and enthusiastically participated in yoga activities. They performed various yoga poses with joy and discipline, learning the importance of health, fitness, and mindfulness."

Students' Corner

Inspiring Personalities of the Month

Sonam Wangchuk: A Visionary for a Sustainable Future

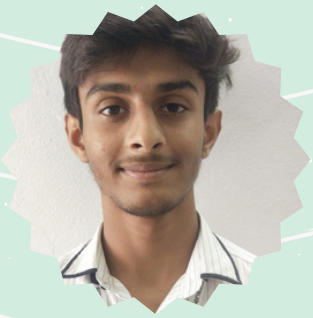

Sonam Wangchuk is a true inspiration rooted in the mountains of Ladakh. He is an engineer and education reformer who has used science and simplicity to solve real-life sustainability challenges, from water scarcity to climate resilience. His work demonstrates how innovative thinking can create practical solutions for communities facing environmental challenges.

What inspires me most is his belief that nature is the greatest teacher. He invented the Ice Stupa, an artificial glacier built using only gravity and cold air, to provide water to drought-struck villages during spring.

His SECMOL school runs entirely on solar energy, proving that sustainable living is not just a dream but a practical and achievable design choice.

His dedication to education and innovation makes him a role model for young minds. He reminds us that with creativity and determination, we can build a better and more sustainable future.

D. Yashmith Reddy
XB

Dwishojoyee Banerjee: Inspiring Student Changemaker

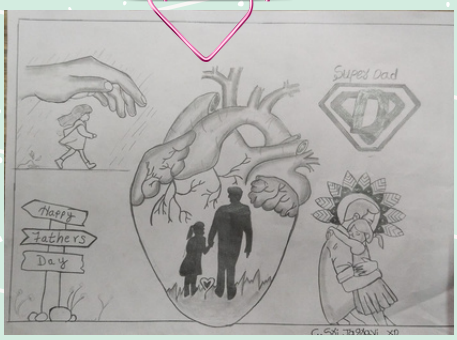

Dwishojoyee Banerjee is a young climate activist and social entrepreneur who inspires me to believe that age is never a barrier to making a difference. She began her journey at just ten years old by teaching underprivileged children and later founded The Soft Move. Through The Paper Bag Project, she motivated thousands of students to turn old newspapers into eco-friendly paper bags, reducing plastic pollution and helping local vendors.

Her dedication has earned her many prestigious awards and opportunities to work with global organizations. Her story encourages me to care for the environment, help others, and take small but meaningful steps toward creating a better world. She is a true role model for every student

Voices of Grade X Students

My journey at Genesis, which began in Class 6, has been a beautiful and life-shaping experience. Over the years, the school has provided me with constant support and opportunities to grow. The teachers have always guided me with care, encouraged me to aim higher, and helped me build confidence in myself. My friends have made every day joyful, and co-curricular activities gave me the chance to explore my talents beyond academics. This milestone is a reflection of my hard work, perseverance, and the unwavering guidance I received at Genesis. I will always cherish the memories, values, and friendships that Genesis has gifted me.

J.Sudheeksha

I joined Genesis School in March 2021, unaware that it would soon become my second home and give me some of the most cherished memories of my life. From online classes during the pandemic to experiencing the vibrant campus life filled with academics, sports, and co-curricular activities, every moment has been memorable.

I am deeply grateful to my teachers for their constant support and encouragement, which played a significant role in shaping my journey. Genesis provided me with opportunities to develop my leadership skills as a Prefect, Captain, and eventually the School Pupil Leader (SPL). The friendships I built, the experiences I gained, and the values I learned here will remain with me forever.

As I step into a new phase of life, I carry with me the confidence, motivation, and memories that Genesis has gifted me. I will always be proud to be a part of the Genesis family. Thank you to everyone who believed in and supported me.

T.Vanas Praharsh Goud

With Sincere Gratitude

I am delighted to share that I have secured 97% (485/500 in Main Subjects) in the CBSE Class X Board Examinations. I sincerely thank our Correspondent Ma'am, Principal Ma'am, my Class Teachers Saritha Ma'am and Bhaskar Sir, and all my subject teachers for their constant guidance, encouragement, and support. I am also grateful to the activity coordinators and the school for providing numerous opportunities that contributed to my overall growth and confidence. I am proud to be a student of Genesis International School, Beeramguda, and I dedicate this achievement to my teachers and school.

Yashaswini Vaidugula

My journey in this school began in Grade 6 during online classes and has been filled with wonderful memories, supportive friends, and inspiring teachers. I sincerely thank all the teachers and the management for their guidance, patience, and encouragement throughout these years. Their support helped me learn from my mistakes and improve continuously, especially in Grade 10. These experiences have shaped me into a more confident and responsible person, and the memories I have made here will always remain close to my heart.

Akshitha Sarvanan

Voices of Grade X Parents

As a parent, I am truly grateful to Genesis for the positive impact it has had on my child's academic and personal growth. Since joining in Class 6, I have seen remarkable improvement in confidence, discipline, and performance. The dedication of the teachers, their constant encouragement, and the opportunities provided through academics and co-curricular activities have played a key role in shaping my child. The school has provided a nurturing environment that has helped my child develop strong values, self-confidence, and a love for learning. I extend my heartfelt appreciation to the entire Genesis team and wish them continued success in inspiring and guiding future generations.

- J. Srinivas Reddy
Father of Sudheeksha

We are extremely grateful to Genesis School, Beeramguda, for the excellent education and nurturing environment provided to our son, Vanas. As he graduates from the school, we would like to express our sincere appreciation to the management, teachers, and staff who have played a significant role in his growth and development.

Genesis School has provided a well-rounded educational experience that goes beyond academics. The school has consistently encouraged students to excel not only in their studies but also in sports, cultural activities, leadership initiatives, and various co-curricular programs. This holistic approach has helped our son develop confidence, discipline, teamwork, creativity, and a strong sense of responsibility.

The opportunities provided through sports competitions, cultural events, and extracurricular activities have enabled him to explore his interests, discover his strengths, and grow into a well-rounded individual prepared to face future challenges. The school's emphasis on values, character building, and personal development has had a lasting positive impact on his life. We wish Genesis School continued success in nurturing and inspiring many more young minds in the years to come.

~Balaprasad Thigulla
Father of T.Vanas Praharsh Goud

As a parent, I would like to express my heartfelt gratitude to the school management and all the teachers for their constant support and care. Seeing my daughter score 483/500 and secure a place among the top three students is a proud moment for our family. This achievement reflects not only her hard work but also the dedication, guidance, and encouragement provided by the school. We sincerely thank everyone who contributed to her success.

🌿 **पर्यावरण – हमारी अनमोल धरोहर** 🌿

हरी-भरी यह प्यारी धरती,
जीवन का है सुंदर आधार।
पेड़, नदी, पर्वत और बादल,
प्रकृति का अनुपम उपहार।
पेड़ हमें ऑक्सीजन देते,
नदियाँ देतीं निर्मल जल।
पक्षी मीठे गीत सुनाते,
महक उठे हर फूल और पल।
लेकिन मानव भूल रहा है,
पेड़ों को दिन-रात कटाता।
प्लास्टिक और बढ़ते प्रदूषण से,
धरती माँ को दुख पहुँचाता।

आओ मिलकर प्रण यह लें,
हर वर्ष नए पेड़ लगाएँ।
जल-बिजली की बचत करके,
धरती को फिर हरा बनाएँ।

पाँच जून का संदेश यही—
प्रकृति का सम्मान करें।
स्वच्छ, सुरक्षित, सुंदर धरती,
मिलकर इसका ध्यान रखें।

– आयान सिन्हा,
VIIB

నడక నేర్పిన మొదటి గురువు
నాన్న,
పడిపోతే లేపిన ధైర్యం నాన్న.
తన కలలను పక్కన పెట్టి నా
కలలకు రెక్కలిచ్చిన,
త్యాగానికి మరో పేరే నా నాన్న.

మాటల్లో ప్రేమను
చూపకపోయినా,
చేతల్లో ఆప్యాయతను
నింపినవాడు నాన్న.
జీవితంలో కష్టాలు వచ్చినా
నిలబడమని నేర్పిన,
మన కుటుంబానికి బలమైన
వృక్షమే నాన్న.

🌍 Practicing Minimalism

Practicing minimalism means owning and buying things that you truly need. This directly cuts unnecessary expenditure. Fewer impulse purchases, less fast fashion and resisting which saves your money. Choosing quality products over excessive consumption also reduces waste generation and lowers demand for resource-intensive manufacturing. Reusing, repairing, and donating belongings extend product life cycles and support sustainability.

When people buy fewer items, fewer natural resources and less energy are used in manufacturing. This also helps in reducing carbon footprint. Caring for few possessions extends their life. This stops the waste cycle and honour's Earth's resources. Shifting from shopping to experiencing nature costs nothing. It replaces material pollution with peaceful memories. "Buy less. Choose well. Make it last."

Competency-Based Learning – Preparing Students for Real Life

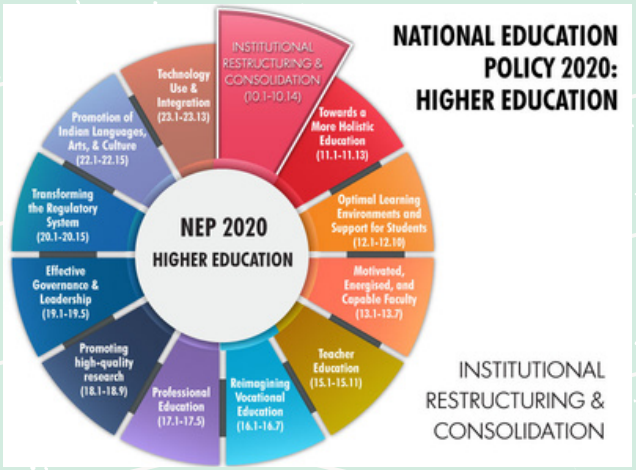

In alignment with the vision of the National Education Policy (NEP) 2020, the CBSE has been placing greater emphasis on Competency-Based Learning to prepare students for the demands of the 21st century. As educators, we believe that learning should go beyond textbooks and examinations to equip students with essential life skills and practical knowledge.

Competency-Based Learning focuses on developing critical thinking, problem-solving, creativity, communication, and collaborative skills through experiential and application-based learning. In our classrooms, we encourage students to explore, analyse, question, and apply their knowledge to real-life situations through projects, activities, discussions, and hands-on experiences.

This learner-centric approach nurtures confident, responsible, and independent individuals who are well-prepared to face real-world challenges. By bridging the gap between theoretical knowledge and practical application, Competency-Based Learning is shaping students into lifelong learners and future-ready citizens.

The active involvement of students and parents plays a vital role in the success of Competency-Based Learning. Students should focus on understanding concepts and applying their knowledge in real-life situations, while parents should encourage curiosity, independent thinking, and experiential learning at home. Together, they contribute significantly to nurturing confident, capable, and future-ready learners.
