🇮🇳 INDEPENDENCE DAY

CELEBRATING THE SPIRIT OF FREEDOM

Independence Day filled the campus with patriotism and pride. Through performances and presentations, our students celebrated India's freedom and remembered the values of unity, courage and responsibility.

BONALU CELEBRATIONS

HONOURING TRADITION, CELEBRATING CULTURE

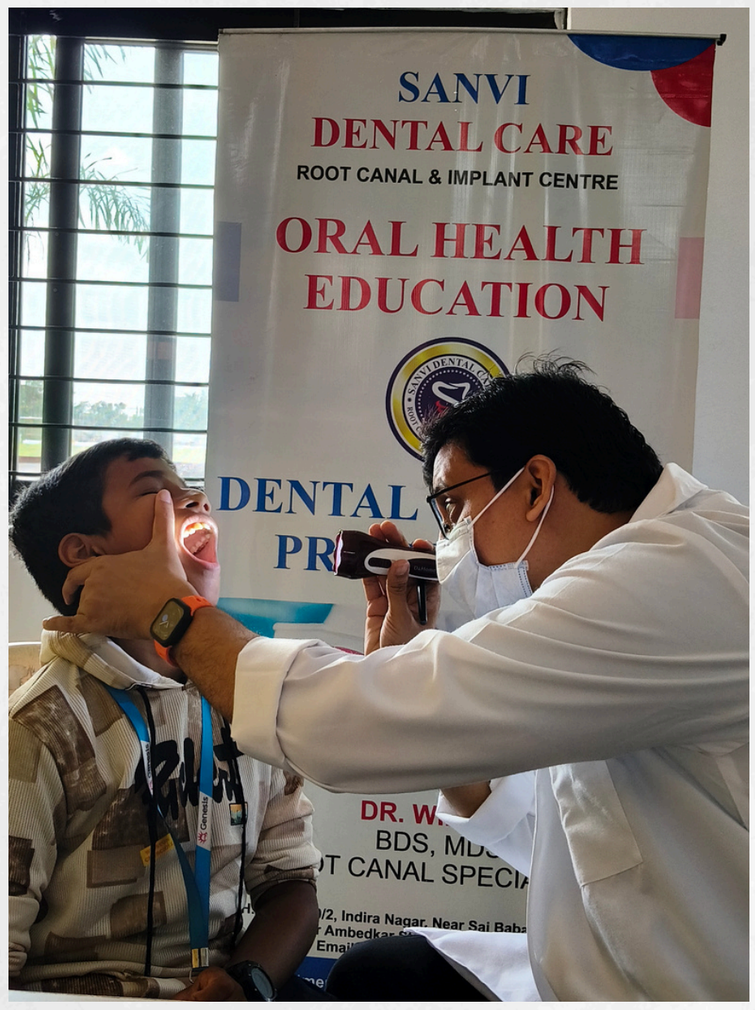

The vibrant spirit of Telangana came alive through our Bonalu celebrations. Students experienced the colours, traditions and cultural richness of this cherished festival.

👀 THE HEALTH CHECK CHRONICLES

EYE & DENTAL SCREENING

Healthy eyes and happy smiles are essential for happy learning. The health check-up helped students understand the importance of eye and dental care and encouraged them to develop healthy habits from an early age.

GENESIS SPORTING SAGA

INTER-SCHOOL SPORTS MEET

The Genesis Inter-School Sports Meet brought together young athletes in a celebration of determination and teamwork showcasing sporting talent, discipline and a strong competitive spirit.

🚌 BEYOND THE CLASSROOM

FIELD TRIPS

Our field trips transformed learning into an experience. Students explored new surroundings, observed the world beyond their classrooms and created memories while learning through real-life experiences.

KINDNESS IN ACTION

WORLD HUMANITARIAN DAY - SPECIAL ASSEMBLY

The special assembly reminded our students that small acts of kindness can make a big difference. Through the message of empathy, compassion and helping others, students reflected on what it means to be truly human.

👩‍💻 TEACHER'S TAKE

VOICES FROM THE CLASSROOM

Ms. Madhulika
Math Dept.

My experience at Genesis so far has been very enriching and has given me a different perspective on learning and education. I appreciate the school's practical and student-centred methodology, where learning goes beyond textbooks and encourages curiosity, critical thinking and real-life application. What I find different from many other schools is the importance given to overall development, values, confidence and independent thinking along with academics. The supportive environment and the way teachers encourage students to participate and express themselves have made my experience positive and meaningful so far.

నా పేరు సౌమ్య. నేను జెనెసిస్ వరల్డ్ పాఠశాలలో తెలుగు ఉపాధ్యాయురాలుగా పనిచేయడం నాకు ఎంతో విలువైన అనుభవాన్ని అందిస్తుంది. ఇక్కడి వాతావరణం ప్రశాంతంగా, సానుకూలంగా ఉంటుంది. యాజమాన్యం ఉపాధ్యాయులను ఎల్లప్పుడూ ప్రోత్సహిస్తుంది. సహోద్యోగుల మధ్య మంచి సహకారం, స్నేహపూర్వక వాతావరణం ఉంది. విద్యార్థుల సమగ్ర అభివృద్ధికి పాఠశాల ఎంతో ప్రాధాన్యత ఇస్తుంది. ఇక్కడ పనిచేస్తూ నేను ప్రతిరోజూ కొత్త విషయాలు నేర్చుకుంటున్నాను. మంచి యాజమాన్యం, సహకరించే సహోద్యోగులు, ఉత్సాహంగా ఉండే విద్యార్థులు కలసిన ఈ పాఠశాలలో పనిచేయడం నాకు సంతృప్తిగా ఉంది.

Ms. Sowmya
Telugu Dept.

Ms. Rachel
English Dept.

I am Rachel Gollapally, and I teach English to students in the Primary and Middle School. Being a part of Genesis World School has been an enriching and rewarding experience. At Genesis World School, I have had the opportunity to contribute to the academic and holistic development of students while continually enhancing my own skills as an educator. The school fosters an environment that encourages creativity, innovative teaching practices, continuous learning, and active student participation. Genesis World School is a place where curiosity is encouraged, talents are recognised, and every individual is empowered to discover their potential and strive for excellence.

🎨 THE CREATIVE CANVAS

WHERE IMAGINATION TAKES SHAPE

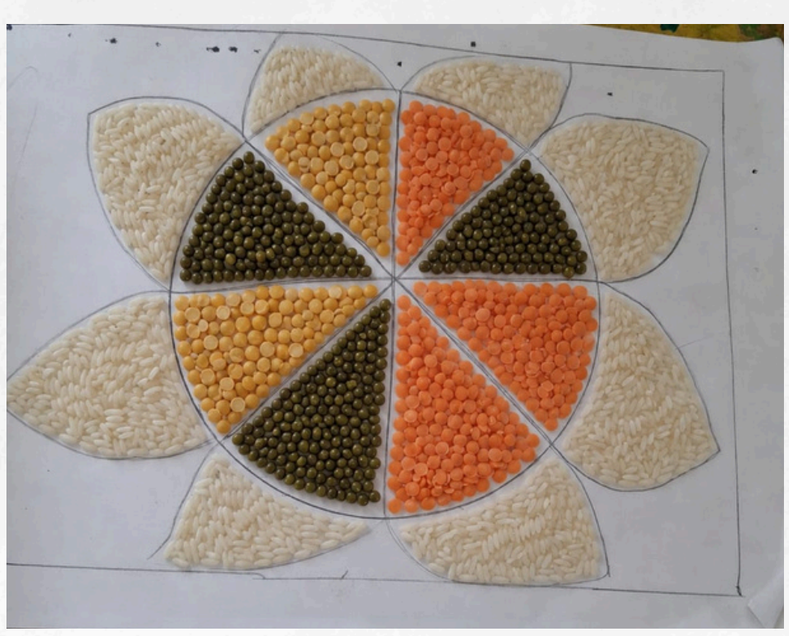

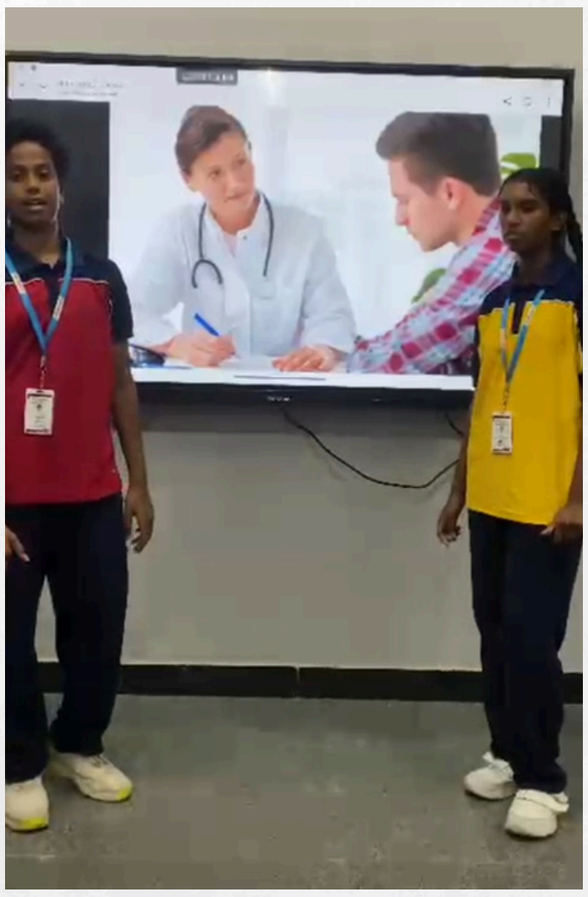

A space where young artists let their imagination speak through colours, sketches, paintings and creative expressions.

“Art does not ask for perfection. It asks for imagination.”

🔍 LEARNING BY DOING
EXPERIENTIAL LEARNING

GRADE VII - ADOLESCENCE AWARENESS

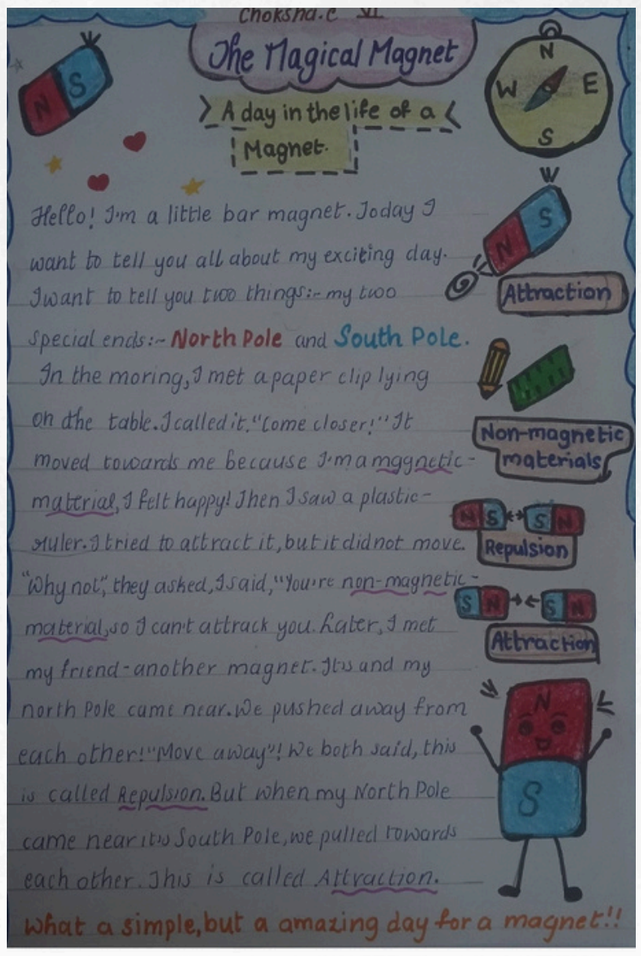

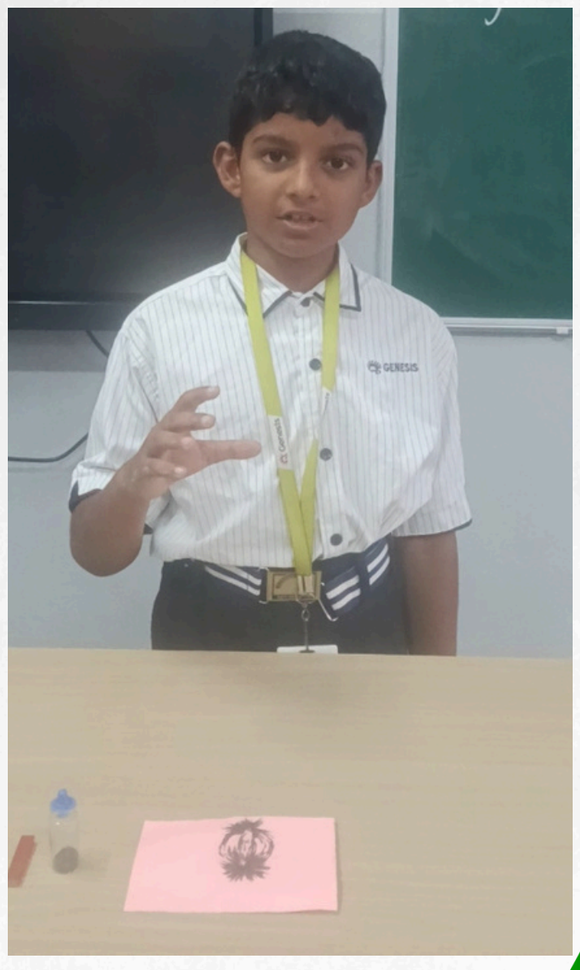

GRADE VI - EXPLORING MAGNETS

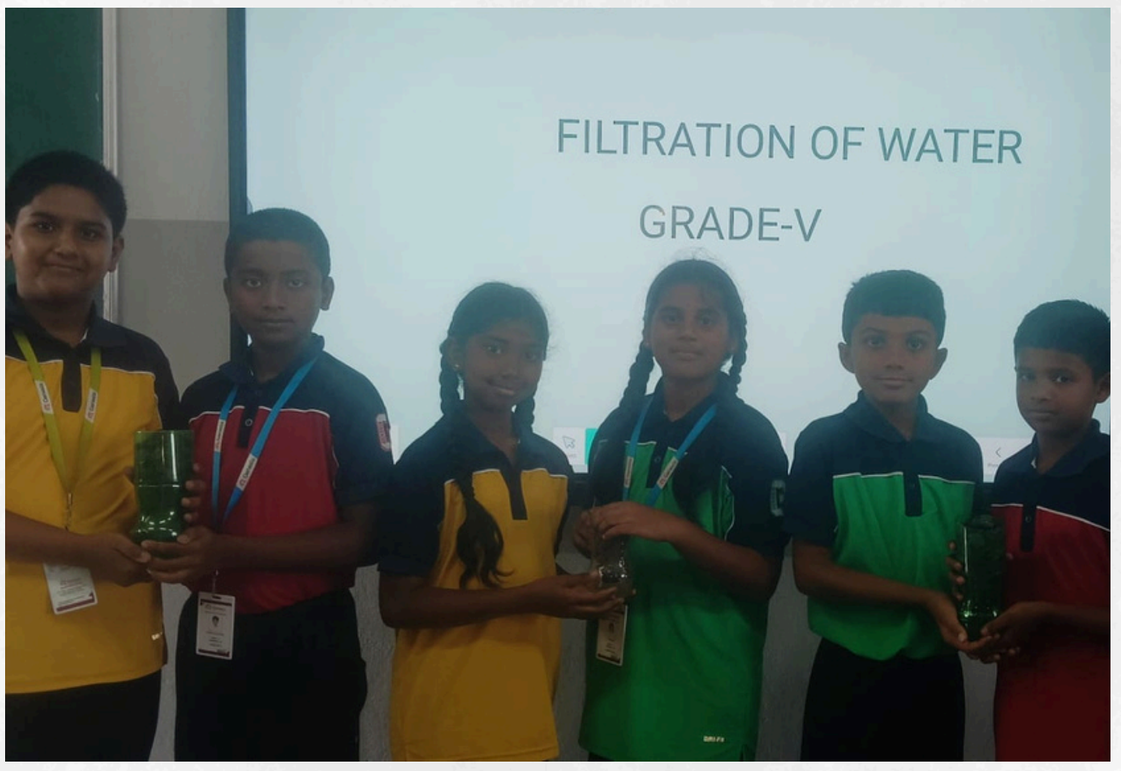

Experiential learning encouraged students to learn through doing, exploring and discovering. Through such experiences, students develop analytical and critical thinking skills.

🌟 STUDENT SPOTLIGHT

LITTLE VOICES, BIG IDEAS

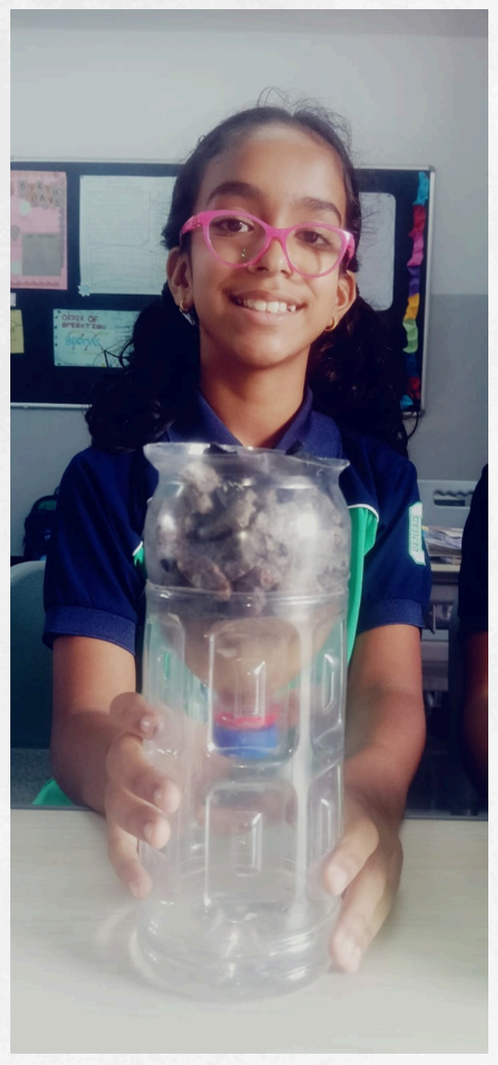

Our students bring life to every school day with their ideas, creativity and curiosity. This space celebrates their reflections, and the little moments that made August memorable.

“School is not only about books and exams. Students learn through activities, sports, trips, celebrations and our friends.”

🏅 THE SPIRIT OF SPORT

NATIONAL SPORTS DAY

National Sports Day is celebrated to instill values, discipline, teamwork, resilience and determination in young minds—It reminded us that every challenge is an opportunity to learn, grow and give our best.

✍ STUDENTS' CORNER

THOUGHTS IN WORDS - WINGS OF FREEDOM

Freedom : The Wings That Help Us Fly

Freedom is a precious gift that allows us to learn, think, and follow our dreams. As Indians, we enjoy this freedom because of the sacrifices of our brave freedom fighters. For students, freedom means opportunities to gain knowledge, express ideas, and discover talents. It also brings responsibility. We must respect others, follow rules, and make wise choices. Freedom gives us wings, and responsibility helps us fly toward a brighter future.

Hridayansu Mahanty
Grade-VII

* The Freedom we Inherit *

Today, we enjoy many freedoms in our daily lives. We can go to school, share our ideas, choose our dreams, and celebrate our festivals. We should always remember that these freedoms came with great sacrifices.

The freedom we inherit is not only a gift but also a responsibility. We must respect our country, follow rules, help others, protect nature, and treat everyone equally.

Let us be responsible citizens and make our country proud. The best way to honour our freedom fighters is to use our freedom wisely and make India a better place.

EARLY YEARS CORNER

💚 GREEN COLOUR DAY - A SPLASH OF GREEN

Our Early Years learners celebrated Green Colour Day with enthusiasm and colourful activities. The day encouraged children to recognise green in the world around them while appreciating the beauty of nature.

WILD STEPS & WILD SPIRIT

ANIMAL WALK RACE COMPETITION

Our little learners from Nursery, Early Years 1 and 2 brought the animal kingdom to life through an exciting Animal Walk Race. With adorable movements, joyful energy and enthusiastic participation, every little step became a moment of fun and confidence.

LITTLE EXPLORERS

EARLY YEARS FIELD TRIP

For our Early Years learners, every outing is an adventure. The field trip offered our little explorers opportunities to discover, observe and experience the world beyond their familiar classroom.

⭐ LIVES THAT INSPIRE

🇮🇳 Tulasi Munda — The Woman Who Turned a Mine into a Classroom

Date of Birth: 15 July 1947
Place of Birth: Kainshi, Keonjhar, Odisha, India
Native: Keonjhar district, Odisha
Known for: Educator and social activist
Award: Padma Shri, 2001

Short Bio:
Tulasi Munda herself worked as a child labourer in the iron-ore mines of Odisha. Despite having no formal schooling, she understood the power of education and began an informal school in 1964 for children from Adivasi communities who were at risk of becoming child labourers. Her work helped bring education to children who otherwise had very few opportunities.

What inspires us:
Her life teaches us that you don't need wealth, power or a formal degree to make a difference. She turned her own difficult childhood into a reason to give other children a better future.

Our Take away:
"Education can change not only one life, but an entire community"

🇮🇳 Dr. Seemin Rubab — The Physicist Who Made Science Come Alive

Date of Birth: 28 August 1966
Born in: India
Profession: Physicist, Professor & Science Educator
Education: Ph.D. in Renewable Energy, IIT Delhi

Short Bio:
Dr. Seemin Rubab is a physicist and educator associated with NIT Srinagar. She has worked to make science more engaging through hands-on experiments, science camps and practical demonstrations, encouraging students to explore, question and understand concepts beyond textbooks.

Through her work, she has also inspired teachers to adopt activity-based and experiential approaches to learning. Her efforts demonstrate how simple experiments and curious questions can transform the way students understand science.

What inspires us:
Her journey teaches us that learning becomes meaningful when we experience, question and explore it.

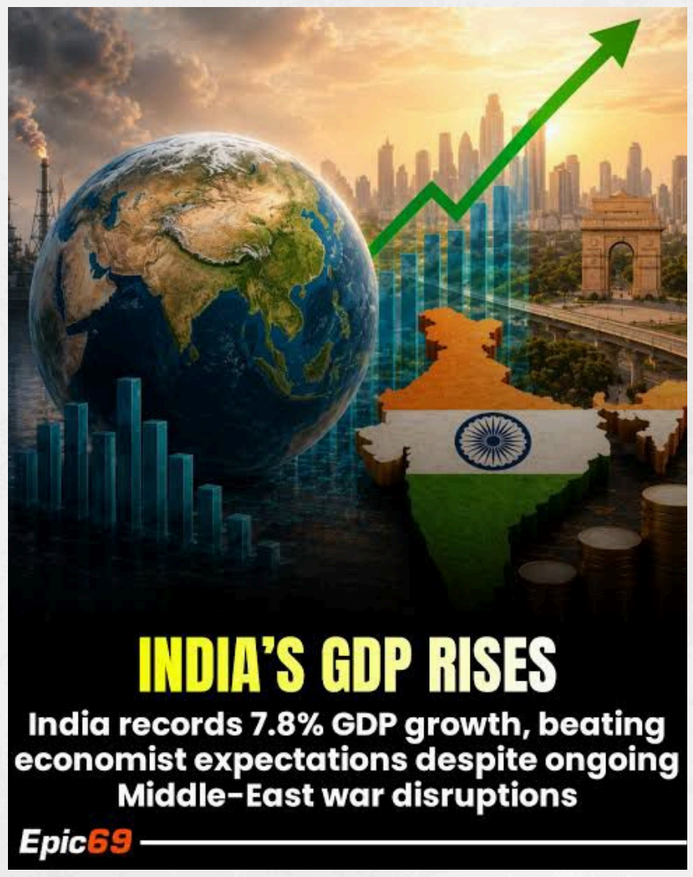

Our Takeaway:
"Don't just learn—explore, experiment and discover."

AROUND THE GLOBE - CURRENT AFFAIRS

🇮🇳 INDIA RECORDS STRONG ECONOMIC GROWTH

India's economy grew by 7.8% in the April–June 2026 quarter, supported by strong manufacturing, services and domestic demand. The growth reflects the continued strength of the Indian economy.

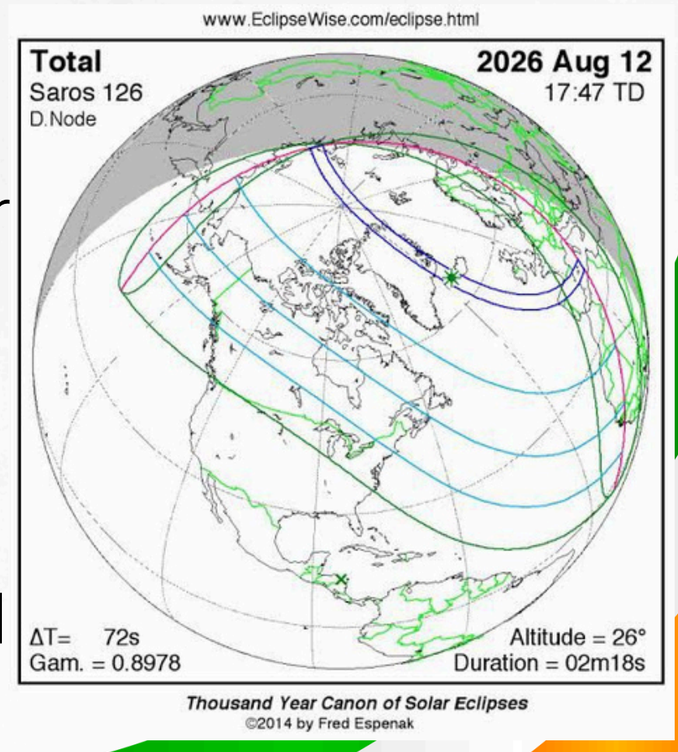

DEVASTATING FLOODS HIT NEPAL

On 26 August, devastating flash floods struck parts of Nepal after a glacier-related collapse triggered huge amounts of water and debris. The disaster caused widespread damage and led to major rescue and relief operations.

A RARE TOTAL SOLAR ECLIPSE

On 12 August, a rare total solar eclipse was visible from parts of Greenland, Iceland, Spain and other regions. The spectacular celestial event attracted skywatchers around the world.
