Principal's Perspective

"The strongest classrooms are built on curiosity, compassion, and the courage to keep learning."

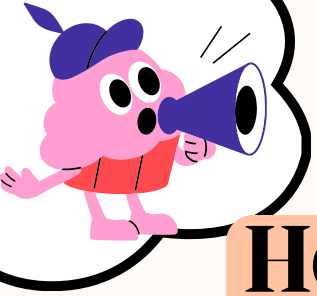

Dear Parents,
It is with great pride and enthusiasm that I welcome you to another exciting chapter at Genesis World School. I am honoured to serve as the Principal of this vibrant learning community, where every child is encouraged to discover their potential and strive for excellence.

At Genesis World School, we believe education extends beyond academics. It is about nurturing confident learners, compassionate individuals, and responsible global citizens. Every experience inside and outside the classroom is thoughtfully designed to inspire curiosity, creativity, and character. The month of July has been filled with enriching learning experiences, joyful celebrations, literary activities, and awareness programmes that have helped our students grow in knowledge, confidence, and values. It has been inspiring to witness their enthusiasm and eagerness to learn.

I extend my heartfelt gratitude to our dedicated teachers, supportive parents, and wonderful students for making Genesis World School a vibrant place of learning. Together, let us continue to inspire young minds and build a future filled with purpose and possibility.

Warm Regards,
Ms. Kiranmai Darapu
Principal

Healing Heroes (Doctors' Day)

Students celebrated Doctors' Day by expressing gratitude to healthcare professionals. The celebration highlighted the dedication, compassion, and invaluable service doctors render to society.

Anti-Bullying Awareness

Creating a safe and inclusive school environment remains our priority. Through an engaging awareness session, students learnt the importance of kindness, respect, empathy, and standing up against bullying, fostering a culture of care and acceptance.

Brave Hearts (Kargil Vijay Divas)

Genesis World School observed Kargil Vijay Diwas with a special assembly, paying tribute to the brave soldiers of the Kargil War. The programme inspired students to uphold the values of courage, patriotism, and service to the nation.

Guru Purnima Celebrations

Genesis World School marked Guru Purnima by reflecting on the importance of teachers and the values of respect, gratitude, and lifelong learning.

World Nature Conservation Day

Nature Conservation Day inspired students to understand the importance of protecting our environment. Through interactive activities and discussions, they learnt simple ways to conserve natural resources and become responsible citizens.

Grade VI

Makers and Digital Time

Our students learn by doing rather than only reading from books. Through Makers and Digital Time, they develop creativity, critical thinking, problem-solving, innovation, teamwork, digital literacy, and STEAM skills through hands-on projects, coding, robotics, 3D design, and real-world applications.

Experiential Learning

At Genesis World School, experiential learning transforms knowledge into meaningful experiences through hands-on activities, exploration, and real-life application

SCAN ME!

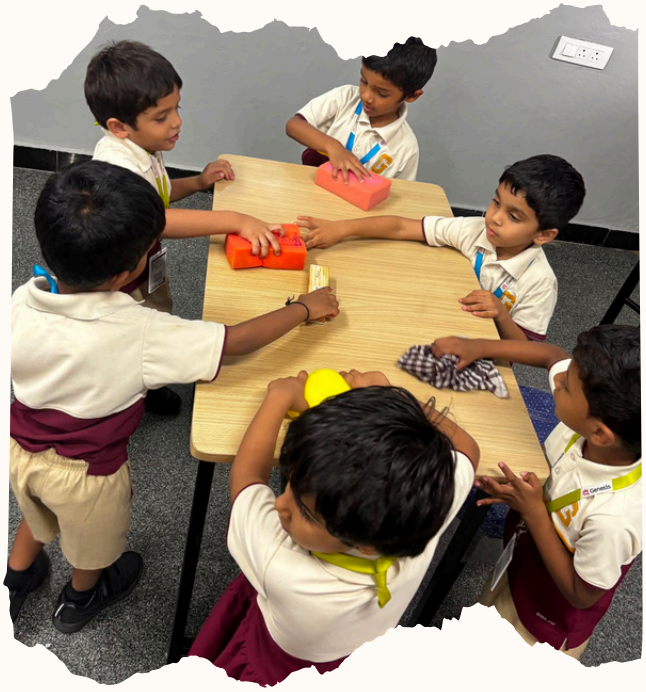

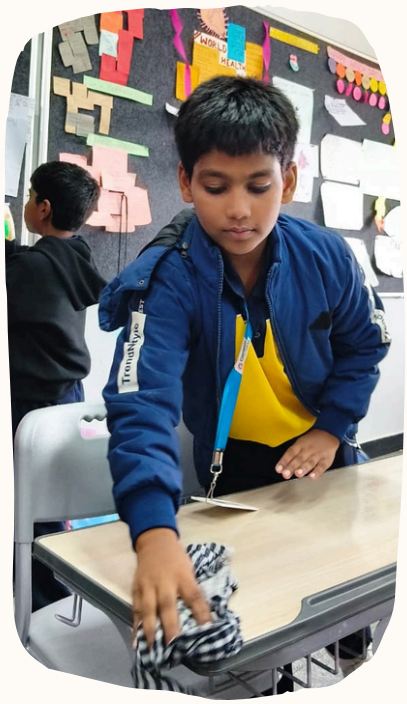

Sparkling Time

Sparkle Time brings together fun and learning through engaging activities that encouraged creativity, teamwork, and joyful participation. Students explored new ideas while building confidence and social skills in an interactive environment.

DEAR Time

Dear Time continued to strengthen the bond between teachers and students through storytelling, discussions, and reflective activities. These sessions nurtured empathy, gratitude, emotional well-being, and positive values.

CCA Competitions

Literary Forum (Literary Competition)

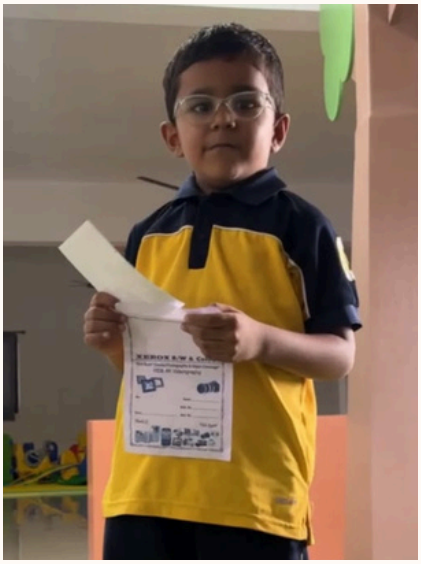

Students enthusiastically participated in various literary events that promoted creativity, critical thinking, vocabulary development, and a love for language. The competition encouraged young learners to express themselves with confidence.

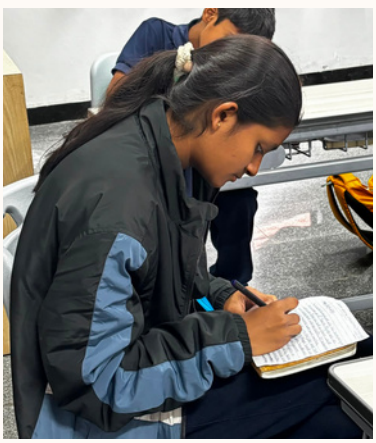

Show & Tell Competition (Grades I & II)

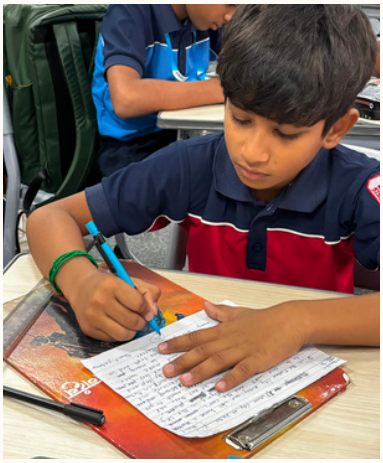

Creative Writing Competition (Grades III - VII)

Poetic Expressions (Recitation Competition)

The Recitation Competition provided students with an opportunity to showcase their confidence, pronunciation, expression, and stage presence. Their enthusiastic performances reflected excellent preparation and communication skills.

Blue Bliss

Our youngest learners celebrated Blue Colour Day with great enthusiasm. Dressed in shades of blue, they participated in songs, art, games, and hands-on activities, making learning colourful, engaging, and memorable.

Parent Mentor Interaction (PMI)

At Genesis World School, the Parent Mentor Interaction (PMI) was held to foster meaningful collaboration between parents and mentors. The session focused on discussing students' progress, celebrating achievements, and working together to support their overall growth and development.

Students Growing with Values

THINGS I ADMIRE ABOUT MY SCHOOL

I feel happy and proud to be a part of my school. These are some of the things that make my school special to me.

Discipline:
I admire the discipline in my school because it teaches us to be responsible. It helps us become better students every day.

Teachers:
My teachers explain every lesson with care and patience. They always motivate us to learn new things.

My Classmates:
They are friendly, respectful, and helpful. We always learn and grow together like one family.

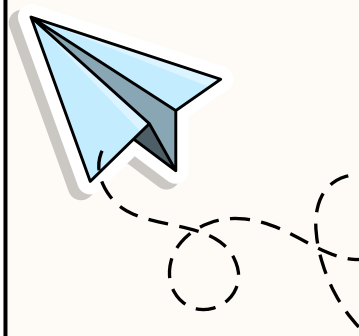

Activities:
I enjoy the fun activities in my school because they help us learn in different ways. They also build our confidence and creativity.

Subjects:
I like the subjects we learn because they are interesting and easy to understand. They help me gain knowledge every day.

Classrooms:
Our classrooms are neat, bright, and comfortable. They make learning enjoyable and exciting.

One Last Glance

As July draws to a close, we reflect with gratitude on a month filled with learning, creativity, and meaningful experiences. Every activity has helped our students grow in confidence, character, and curiosity.

As we welcome August, we look forward to many more opportunities to inspire young minds, celebrate achievements, and continue our journey of excellence together.

"Strong roots anchor dreams;
Strong wings carry them beyond horizons."
