EDITORS	Ms. V. Neeraja Ms. Vineela Mendu
STUDENT MEMBERS	Azeem Ibrahim Tahir Raza — Grade IX V. Ganendra — Grade VIII

Words connect.
Languages unite.
Together, we create a better tomorrow.

Principal's Message

Dear Students, Parents, Teachers

As we celebrate the spirit of our nation this August, we are reminded that India's greatest strength lies in its extraordinary diversity. From the snow-capped Himalayas to the serene backwaters of Kerala, from countless languages and traditions to vibrant festivals and customs, every part of our country contributes to the rich tapestry that defines India.

At Genesis International School, we believe that true patriotism is reflected not only in our love for the nation but also in the respect we show for one another. Every language spoken, every culture celebrated, and every tradition cherished enriches our learning community. By embracing diversity with open hearts and curious minds, we cultivate empathy, mutual respect, and a deep appreciation for the values that unite us.

As young citizens of India, may you take pride in your heritage while respecting the heritage of others. Let us continue to build a school community—and a nation—where every voice is valued, every culture is honoured, and every individual feels a sense of belonging.

On this occasion, let us reaffirm our commitment to the ideals of unity, harmony, and excellence, carrying forward the spirit of "Unity in Diversity" in everything we do

Wishing everyone a joyful and meaningful Independence Day.

— CELEBRATING —

80th INDEPENDENCE DAY

80 Years of Freedom, Unity and Progress

From the dawn of freedom in 1947 to a stronger, more united India in 2026 – our journey is a testament to courage, sacrifice and the spirit of a nation that never stops moving forward.

JOURNEY OF FREEDOM: MILESTONES THROUGH THE YEARS

1947
1st Independence Day
India became independent on 15 August 1947.

1950
A Republic is Born
The Constitution of India came into effect on 26 January 1950.

1960s–1970s
Nation Building
Focus on infrastructure, education and self-reliance.

1991
New Beginning
Economic reforms opened new opportunities for growth.

2000s
Striding Ahead
Advances in technology, space exploration and digital India.

2026
80th Independence Day
Celebrating 80 years of freedom and a confident, progressive India.

DID YOU KNOW?

- 15 August 1947 was the first Independence Day.
- Over thousands of freedom fighters contributed to our freedom.
- India is the world's largest democracy.
- Our National Flag was adopted on 22 July 1947.
- The National Anthem was adopted on 24 January 1950.

FREEDOM TO PROGRESS

THE POWER OF UNITY

Different in language, culture and traditions, but one in heart and one in pride – that is India.

"Freedom is not just the right to do as we please, but the opportunity to do what is right."

– Jawaharlal Nehru

Salute the Nation!

FOLK CULTURE OF INDIA

The Soul of a Diverse Nation

Folk culture is the traditional way of life, passed down through generations. It reflects the customs, beliefs, art, music, dance, festivals and everyday practices of the people. India's folk culture is as varied as its regions and as timeless as its roots.

FEATURES OF FOLK CULTURE

- Rooted in tradition and community life
- Passed down orally through generations
- Reflects the beliefs, values and wisdom of the people
- Expressed through art, music, dance, stories and crafts
- Connects people with nature, seasons and celebrations

FOLK DANCE

Folk dances are energetic, colorful and express the joy, struggles and celebrations of life.

Bhangra (Punjab) · Garba (Gujarat) · Bihu (Assam) · Karakattam (Tamil Nadu)

FOLK MUSIC

Folk music uses traditional instruments and tells stories of love, devotion, nature and heroism.

Ektara · Dhol · Shehnai · Algoza

FOLK ART & CRAFTS

Folk art reflects creativity and the close bond between people and their surroundings.

Warli Painting · Madhubani Painting · Pottery · Bamboo Craft

FOLK FESTIVALS

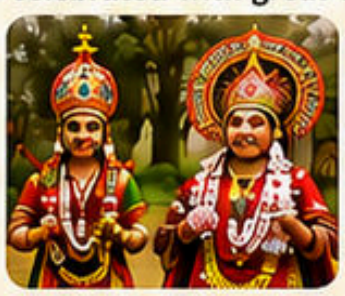

Folk festivals are celebrated with great enthusiasm and bring communities together.

Pongal (Tamil Nadu)
Harvest festival thanking nature for prosperity.

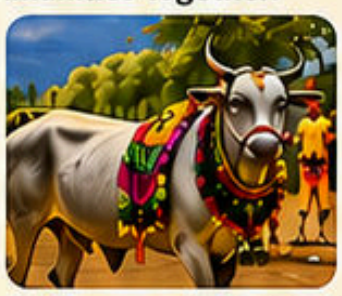

Bihu (Assam)
Celebrates the harvest season with music and dance.

Onam (Kerala)
A festival of unity, feast and cultural pride.

Lohri (Punjab)
Celebrates harvest with bonfire, songs and dance.

Polavaram/Jallikattu (Tamil Nadu)
Honors tradition, courage and rural heritage.

Hornbill Festival (Nagaland)
Showcases the rich tribal culture of the Northeast.

FOLK COSTUMES

Traditional attire shows the beauty of regions and the identity of communities.

Saree (Maharashtra) · Ghagra Choli (Rajasthan) · Phanek (Manipur) · Pattu Veshti (Kerala) · Pheran (Kashmir)

FOLK TALES & STORIES

Folk tales pass on morals, values and history in an entertaining and memorable way.

Panchatantra Tales · Akbar-Birbal Stories · Tales of Tenali Raman · Regional Legends

Folk culture is the heart of India.

It preserves our past, inspires our present and guides our future.
Let us cherish, respect and pass it on to the coming generations.

UNSUNG HEROES OF INDIA'S FREEDOM STRUGGLE

GARIMELLA SATYANARAYANA:

The Voice That Awakened a Nation

> "My songs are not for fame, but to awaken the spirit of freedom in every Indian heart."

A POET BORN TO INSPIRE

Garimella Satyanarayana was born on 14 July 1893 in Gonepadu village, Srikakulam district, Andhra Pradesh. From a young age, he loved Telugu literature and believed in the power of words to bring change.

INSPIRED BY GANDHIJI

Deeply influenced by Mahatma Gandhi's Non-Cooperation Movement, Garimella travelled across villages, spreading the message of freedom through his patriotic songs and speeches.

THE POWER OF PATRIOTIC SONGS

His famous song "Maa Koddhi Telladoratanam" (We Do Not Want the Rule of the White Man) became the voice of the freedom movement in Andhra Pradesh. It united the people and filled them with courage.

ARRESTED FOR HIS WORDS

The British government was frightened by the impact of his songs. They banned his songs and imprisoned him. But Garimella never stopped writing and inspiring people with his patriotic spirit.

A LEGACY THAT LIVES ON

Even after Independence, he continued to serve society through literature and culture. Garimella Satyanarayana is remembered as one of the greatest patriotic poets of India, whose voice awakened a nation.

WHY HE MATTERS TODAY

Love Your Mother Tongue

He showed that language can unite people and preserve culture.

Use Your Voice for Good

His poems inspired people to stand up for justice and freedom.

Words Can Change the World

He proved that a pen and a song can be as powerful as a sword.

Be Proud of Your Heritage

His life reminds us to respect our language, culture, and country.

Inspiration for Young Minds

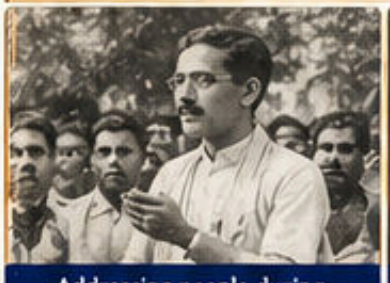

His courage encourages students to use their talents to make a positive difference.

THE SONG THAT INSPIRED MILLIONS

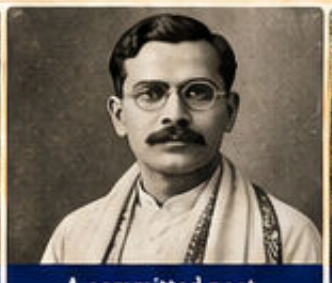

మా కోడ్డి తెల్సదొరతనం
మా భారతదేశమునకు మాకొద్దు ॥

Maa koddhi telladoratanam,
Maa Bharata deshamunaku ma koddhu.

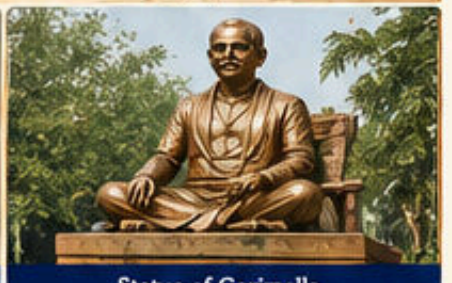

We do not want the rule of the white man,
We want freedom for our motherland.

Addressing people during the freedom movement

A committed poet and patriot

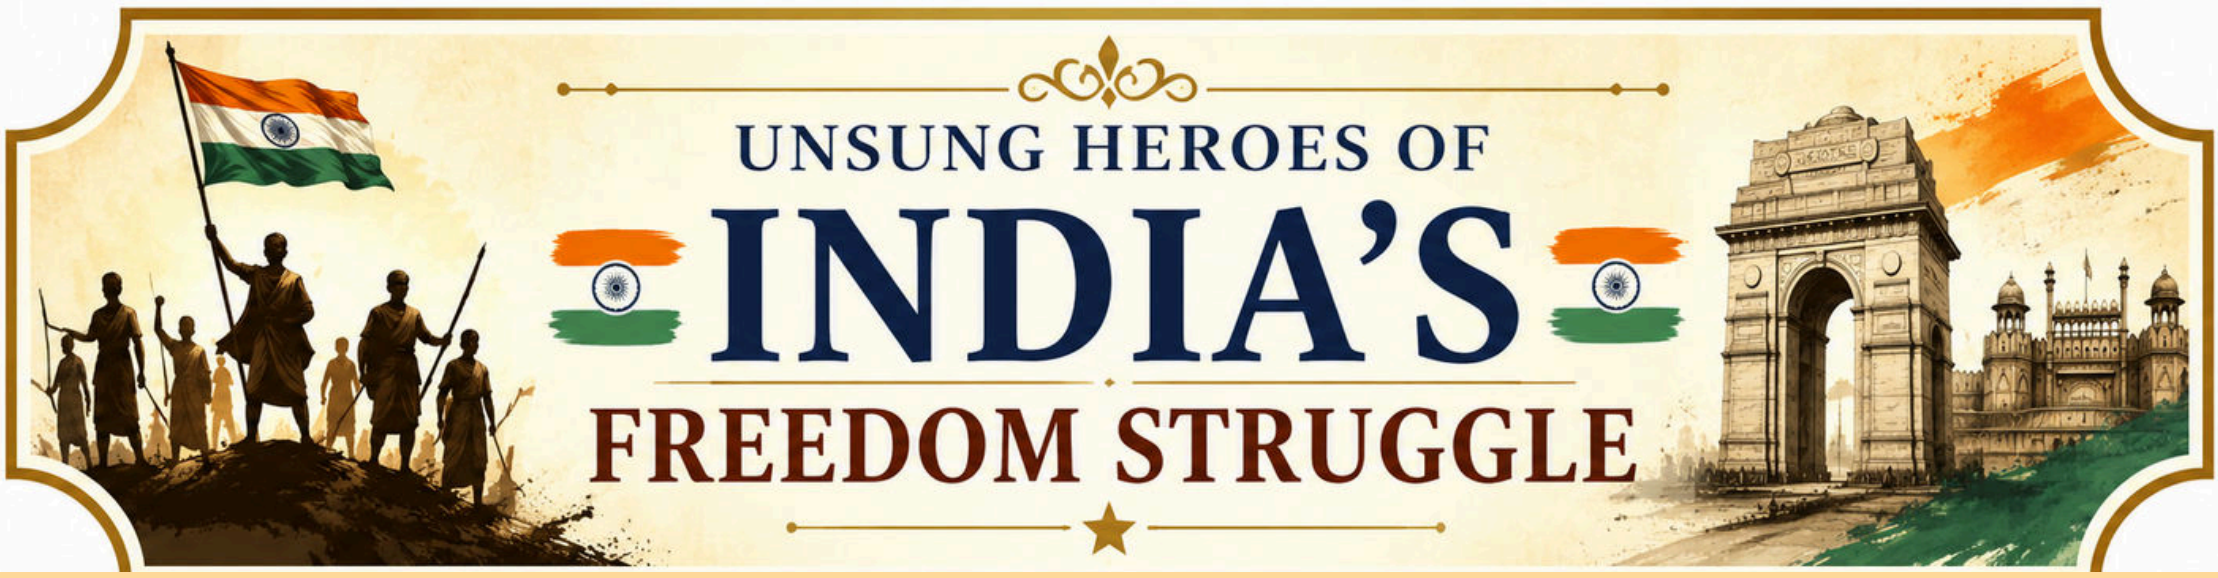

Statue of Garimella Satyanarayana in Andhra Pradesh

> "Garimella Satyanarayana's songs remind us that patriotism is not only fought with swords— it is also sung through words that awaken a nation."

Captain Lakshmi Sahgal: The Fearless Warrior of India's Freedom Struggle

A Doctor Who Chose Freedom

Born on 24 October 1914 in Madras, Lakshmi Sahgal was a qualified doctor who believed that serving the nation was just as important as serving patients. After moving to Singapore in 1940, she cared for Indian workers and soon became involved in India's freedom movement.

Marching with Netaji

In 1943, Lakshmi joined Netaji Subhas Chandra Bose's Indian National Army (INA). Recognising her leadership, Netaji appointed her commander of the Rani of Jhansi Regiment, an all-women military unit named after the brave Queen of Jhansi. From then on, she became known as Captain Lakshmi.

Courage Beyond the Battlefield

Captain Lakshmi trained hundreds of women to serve the nation with discipline and courage. Although the INA could not achieve military victory, its bravery inspired millions of Indians and strengthened the freedom movement. After the war, she was taken into British custody before being released.

Did You Know?

She led the Rani of Jhansi Regiment, the women's regiment of the INA.
🩺 She served as a doctor for more than five decades.
🏅 She received the Padma Vibhushan in 1998.
⭐ She remains an enduring symbol of courage, service, and women's empowerment.

"Her life teaches us that true patriotism is shown through courage, sacrifice, and selfless service."

How to Reduce Waste at Home?

Every little step you take at home can make our planet cleaner, greener and healthier.

1. SEGREGATE WASTE

Separate your waste into different categories to make recycling and disposal easier.

GREEN BIN
Wet Waste
(Biodegradable)

Fruit peels, vegetable scraps, leftover food, tea leaves, eggshells, garden waste

BLUE BIN
Dry Waste
(Recyclable)

Paper, cardboard, plastic, glass, metal, aluminum, cartons

RED BIN
Hazardous Waste
(Dispose Safely)

Batteries, bulbs, expired medicines, sanitary products, e-waste

2. FOLLOW THE 3Rs

The 3Rs are the key to a sustainable lifestyle.

3. COMPOST

Turn your kitchen waste into nutrient-rich compost for plants.

Less waste, more plants, healthier planet!

SMART ECO TIPS

- Carry a reusable shopping bag.
- Avoid plastic bottles and disposable cups.
- Reuse gift boxes and packaging materials.
- Dispose of batteries and e-waste at authorised collection centres.
- Plant a tree or grow herbs using homemade compost.

4. SAVE RESOURCES

Saving water and electricity reduces waste and protects our environment.

- Fix leaking taps and save water.
- Switch off lights and fans when not in use.
- Use machines only with full loads.
- Choose reusable items over disposable ones.

> *"The greatest threat to our planet is the belief that someone else will save it."*
> *– Robert Swan*

EVERY HOME CAN MAKE A DIFFERENCE!

CHALLENGE YOURSELF!

Can your family reduce one plastic item every week?

START TODAY!

THINK GREEN • ACT SMART • LIVE SUSTAINABLY

School- A Paradise of Memories

More Than Just Buildings-

In my opinion, school is not just about buildings; school is about teaching, learning, discipline, gratitude, and obedience. Ultimately, school is an emotion and a memory. Hello everyone, I am Deepak Sai. I joined Genesis in the 8th grade. Even though I was a new student, I received immense cooperation from both teachers and students. Each and every teacher supported me, and within a short period, I developed deep respect and a feeling of gratitude for the school. Whenever I had a doubt, the teachers would clarify it wonderfully. My friends supported me too, and everyone felt like family.

The Power of Encouragement

Our teachers constantly encouraged me by sending me to competitions. Thanks to that, in one written quiz competition against many schools and colleges, I won the 1st prize and a cash award. Today, I want to express my deepest gratitude to our school management and school teachers for that encouragement. In this year's 10th board results as well, alongside my own hard work, the school's wonderful teaching, cooperation, and doubt clarification played a key role in helping me achieve the highest marks. My friends here also played a crucial part, and I am so grateful to all of them.

A Message to My Dear Juniors

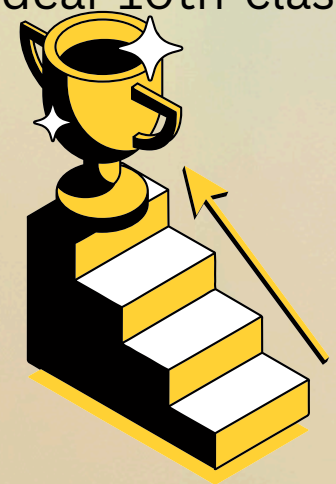

I have just one request for you. If you want to achieve anything, my suggestion is to first follow a framework. Next, behave as a good human being. Have honesty, show respect to your parents and teachers, and maintain gratitude for everything. Without gratitude, we can't achieve anything.

The Secret to Success

Above all else, hard work and consistent effort are important. However, rather than studying out of compulsion, if you study with passion, you can study for hours without feeling it—and that is how you achieve success. There have been ups and downs in my life too, but you must motivate yourself and never give up.

Final Thanks

This achievement was only possible because of the blessings of all my teachers, along with my parents. Thank you, teachers,non teaching staff and management. Don't compare yourself with anyone else. Since childhood, my parents taught me that my competition is always only with myself. You are unique. Go ahead. All the best to my dear 10th-class friends.

Deepak Sai

Beyond the Slogans: Pride in Progress and Our Duty as Citizens

India is rising faster than ever before. From ultra-fast UPI digital payments to groundbreaking space milestones by ISRO and DRDO, our nation is proving its might as a global superpower. On the field, our athletes are shining brighter than ever, recently winning 39 medals at the 2026 Commonwealth Games in Glasgow and setting the stage for Ahmedabad to host the 2030 Games. Yet, a country cannot become truly great through machines and medals alone. It becomes great through the character and daily habits of its young citizens. To match India’s phenomenal progress, we must move beyond simple slogans and adopt these six core pillars of responsibility in our school and daily lives.

Digital Responsibility: As students of a high-tech nation, our digital footprint matters. Being a smart digital citizen means we must always verify facts before forwarding messages on WhatsApp or social media. By stopping the spread of fake news, we ensure that India's digital growth remains safe, mature, and constructive.

Environment :National growth means nothing if we destroy our planet. India is currently one of the fastest-growing solar energy markets in the world. We can do our part by conserving electricity in our classrooms, reducing plastic use, and actively supporting green initiatives to build a cleaner, sustainable future.

Diversity: Our school is a perfect reflection of India—a beautiful mix of different languages, cultures, and traditions. Our diversity is our greatest strength, not a barrier. True patriotism lies in celebrating these differences, respecting every individual's background, and standing united as proud Indians.

Civic Sense: Public property is built with our parents' hard-earned money and belongs to all of us. We must treat our new metro trains, electric buses, school property, and historical parks with the same care we give our own homes. Let us pledge to never litter, deface walls, or damage shared spaces.

Problem Solver: Being a responsible citizen means taking ownership of everyday challenges. We can start by actively fighting food waste. By taking only what we can eat on our plates during lunch breaks and weddings, we save precious resources and ensure that no fellow citizen goes hungry.

Atmanirbhar: Economic independence begins with our daily choices. We can help build a self-reliant India by supporting local creators, neighborhood shops, and traditional artisans. Buying homegrown products keeps our unique cultural crafts alive while strengthening our local economy.

The Way Forward : Our nation is running ahead at full speed, and it is up to us to keep pace. Let us promise to study hard, practice empathy, and live these values every single day. By turning these duties into daily habits, we can transform our potential into progress.

Jai Hind! Jai Bharat!
